

The refined warmth of Africa's vast landscapes

Savannah Sands is inspired by the vast landscapes of Africa. Expansive plains, natural materials and the warm elegance of luxury safari lodges form the foundation of this timeless theme.

The collection combines organic shapes, natural textures and warm earthy tones, creating a calm and inviting atmosphere with a subtle sense of adventure.

Botanical Daydream

A romantic escape to the English cottage garden

Botanical Daydream brings the beauty of nature indoors in a fresh and inviting way. Inspired by English cottage gardens, the theme combines blooming flowers, butterflies and birds with a light, elegant aesthetic.

The collection blends floral motifs, blossoms and delicate natural details into a warm and relaxing atmosphere that feels perfectly suited to spring and summer.

A Tribute to Love, Translated into Timeless Elegance

Velvet Vows is inspired by modern weddings and life's most meaningful celebrations. The theme combines elegant styling with rich colours, refined details and a luxurious feel.

The collection features floral designs, graceful shapes and vibrant colour accents, resulting in an elegant collection that feels both romantic and contemporary.

Club Capri

Vintage Italian Riviera with a modern resort twist

Club Capri is inspired by the relaxed atmosphere of the Italian Riviera. The theme captures the feeling of sunny coastlines, stylish seaside terraces and long summer days by the water.

The collection combines bright colours, playful stripes and summery prints with refined details, creating a fresh and vibrant look that instantly evokes a holiday feeling.

A world of earthy warmth and contemporary Middle Eastern elegance

Arabian Spice is inspired by warm desert tones and the clean lines of contemporary Middle Eastern architecture. The theme centres around natural materials, artisanal details and an understated sense of luxury.

The collection combines organic shapes, rich textures and warm earthy colours to create a calm and sophisticated atmosphere. Timeless, elegant and easy to combine in a wide variety of interiors.
